Hackberry Park

Soccer & Football Field Restrooms

Wahoo's youth are active and love their sports! The new 45-acre addition to Hackberry Park provides dedicated turfgrass for our soccer and flag football leagues. This project would construct a restroom building with storage to accommodate our young athletes and their fans.

Park Playground Replacement

We are planning to replace several playgrounds over the next few years including the modular units at Hackberry Park and Placek Park. Additionally, there are plans to add new playground equipment at Bel Aire Park, south Hackberry Park, and along the Sycamore Trail.
