

GYM STOMPERS

PROGRAM GOALS: This new program's primary goal is to provide a fun opportunity for children to become accustomed to PE-type programming, thereby gaining confidence in their physical abilities and learning to take turns and work as a team. The program will help teach kids skills they need to be successful in kindergarten, as listening, following directions, and taking turns will be stressed. Some specific activities will include relays, obstacle course, and sport skills.

PROGRAM FORMAT: This program is for children who are currently not enrolled in Kindergarten and are 3 1/2 years of age or older. The class meets once per week for 30 minutes on Thursday afternoons. Session #1 will be held for five weeks on the following dates: 1/2, 1/9, 1/16, 1/23, and 1/30. Two different class times are offered at 2:00pm and 2:30pm. Classes will be held in the Civic Center gym. An adult must accompany each child and be present/seated in the bleachers in case they are needed for bathroom breaks or other situations.

REGISTRATION: Registration begins Monday, December 2nd at 9:00am. Each class has a maximum enrollment of 8 children. Registration will end when the classes have reached capacity. Register early as these classes will fill quickly!
